

# TURN-BLACK

Flush plate for pre-wall installation systems, inox-black matt

### Application

For pre-wall installation systems and concealed WC cisterns

### Features

- Precise workmanship with laser technology
- Double-acting mechanical flushing
- Compatible for all pre-wall installation systems and cisterns for building into solid walls Alca
- Material: stainless steel, painted color finish
- The mechanism is fully integrated into the wall
- Resistant to UV rays and external influences
- Surface finish: stainless steel-black matt with antibacterial properties (ensured by the content of silver compounds)
- The flush plate only slightly protrudes above the tiles
- Maintenance with common detergents used in the household for plumbing fixtures and bathroom accessories

### Scope of supply

- Adapter kit for the control mechanism of the flush valve
- Flush plate
- Fixing frame of the flush plate
- Threaded frame clamp 2 pcs
